

# New Mexico Flying 40 Awards 2007

The 2007 New Mexico Flying 40 awards-- given to the state's fastest-growing technology-based businesses.

New Mexico's future is technology; and New Mexico's future is bright. Jobs

at the Flying Forty increased from 2,636 in 2002 to 4,294 in 2006, a 63% increase. Revenue increased from \$401 million in 2002 to over \$763 million in 2006, a 90% increase.

"The greater Albuquerque region, Forbes says is the single 'best place for business and careers' and it's these

technology-based companies that cause Forbes to rank us no. 1. Our new technology-based economy has been born. The Flying 40 is an example of the finest New Mexico has to offer," said TVC President Sherman McCorkle.

The event is sponsored by KPMG, LLP, New Mexico Bank & Trust, the Albuquerque Journal Business Outlook, and Technology Ventures Corporation.

The technology companies selected for the Flying 40 will be honored at an awards luncheon on June 26, 2007.
